Garden and rubbish in Old Milton is ongoing HCllr's FR and HR are following up. Land beside Milton stores has been reported, weeds are spreading out onto path and road. This has partially covered signs and is unsightly. Brown bins will be collected from non-payers. Money raised from brown bin collection is £600'000 not £60'000 as stated in May minutes. Nothing to report on requested stop at Kildary Railway station.

6. Reports by Highland councillors, HCllr FR explained the new Highland Council Areas I set up, from 7 units into 3. Derek Loudon and Fiona Robertson are to cover Jamie Stones areas until the by election. There has also been a redesign of Highland council. There are now 3 committees: - people, places and resources. People committee is people led covers housing, children and economics, Places Committee' covers housing and roads. Resources committee' covers finance and policy directions. Ingrid Jameson is in charge of grass cutting and John MaKay is the new roads (potholes) TEC. TRA is being reviewed to people in the community. If agreed there will be a new pre consultation on sites available. This has delayed progress of new school by some time and application for funding will have to be

renewed. TA reported white lines in Delny have been eroded and HCllr FR has said that the road resurfacing in and around Milton has been reported. MM has said that bin men are taking non recycling rubbish out of the blue bins and leaving it on the kerb side, bottles and land fill refuse don't go in blue recycling bin. KALECC thanked MM for picking the rubbish up on her way to work. HCllr FR to follow up.

8. Community council issues, Port authority update 12.07.17. RMF to attend meeting at the Port office commencing 6pm. The Inclusion Scotland survey has been emailed to all CC's. Highland Improvement update, TA to circulate to everyone with survey attached also.

David Chambers and Colin Graham attended tonight's meeting to let KALECC know that the Cromarty Firth men's shed, (a registered charity) have an interest in using the wooden lodge for their meetings. Their current premises are currently in Invergordon. They have raised concerns that a window has been removed and that their padlock has been tampered with. The composting toilet is not ideal and they are hoping to get mains water and electric to the cabin and work shop in the future. They have signed a written agreement with Woodlands Trust. With an understanding that maintenance will be done to the cabin and workshop instead of rent. KALECC have asked for more information, through DC and CG, from Milton woodland committee. KALECC thanked both gentlemen for their information and time.

9. Planning and licensing issues, Erection of house in Arabella, no objections. Delny works improvement proposals map is vague. More information has been requested, MM is to follow up concerns over access safety and parking. AD plant in Invergordon, KALECC has received a notification of site visit.

10. Correspondence. A letter has been received from Edward Mountain MSP of the Highlands and Islands offering to meet with KALECC. MM to reply with thanks and we will get in touch if needed.
